Management Board is responsible for the preparation of condensed interim financial statement in accordance with applicable legal provisions. Our task was to perform the audit of this statement.

We conducted the audit in accordance with applicable in Poland legal principles as well as provisions of national auditing standards issued by National Chamber of Statutory Auditors. These standards impose to plan and perform the audit in order to obtain reasonable assurance that the financial statement is free of significant incorrectness.

Audit was performed mainly by use of data analysis of financial statement, access to accounting books, as well as by use of information obtained from the management staff and people responsible for finances and accounts of the Entity.

Scope and method of the review of condensed interim financial statement significantly differs from research underlying opinion on compliance with applicable accounting principles (policy) of annual financial statement as well as on accuracy and fairness, that's why we cannot issue such opinion on the accompanying condensed interim financial statement.

Based on our audit we have not identified anything, that would prevent us to declare that the condensed financial statement have been prepared, in all essential aspects, in accordance with International Accounting Standards, International Financial Reporting Standards and related

interpretations published in the form of implementing regulations of European Commission and applicable to interim reporting.
