

Current report no. 25/2016

Date of issue: 2016-11-18

Abbreviated name of Issuer: DEKPOL S.A.

Subject: Correction of consolidated quarterly report for 3Q 2016

Legal basis: Article 56 section 1 point 2 of the Act on Public Offering – current and periodical information

Content of report:

Management Board of DEKPOL S.A. ("Company") announces that in the published on 10 November 2016 consolidated quarterly report for the 3Q 2016, due to a misprint in additional information to condensed interim consolidated financial statement, in the table 1.6.1. "OPERATING SEGMENTS Data for the period 01.01-30.09.2016" (page 10), have been entered incorrect values:

- 1) in the point „Operating costs in general” for „Production of steel constructions and equipment” i.e. 20 556, while the correct value amounts 16 938;
- 2) in the point „ Operating costs in general” for „Other” i.e. 11 969, while the correct value amounts 15 587;
- 3) in the point „Operating result” for „ Production of steel constructions and equipment” i.e. - 1 759 while the correct value amounts 1 859;
- 4) in the point „ Operating result” for „Other” i.e. 12 835, while the correct value amounts 9 217;
- 5) in the point „Wynik netto” for „Produkcji konstrukcji stalowych i osprzętu” i.e. -1 759, while the correct value amounts 1 859;
- 6) in the point „Net result” for „Other” i.e. 5 789, while the correct value amounts 2 171.

Correction of periodical report bases solely on adjustment of the above mentioned values. All adjustments have been presented in table 1.6.1. in a form of annex attached to this current report.

Company informs that pursuant to above-mentioned information adjusted consolidated quarterly report for 3Q 2016 will be released to the public today, i.e. on 18 November 2016.
